Ravonda Bethel Wins "Outstanding Teacher in Community Service" Award

Ravonda Bethel, Environmental and Spatial Technology (EAST) instructor, on Indian Capital Technology Center's Sallisaw Campus, has been named the winner of the Oklahoma Association of Career and Technical Education (ACTE) 2008 Outstanding Teacher in Community Service Award for the Business and Information Technology Education Division. She will now compete for the state title to represent Oklahoma at the National Association of Career and Technical Education (ACTE) Annual Conference in December.
