Jodi Keith ICTC District Teacher of the Year

“The nature of the class I teach allows me to be actively involved in many community projects. I love my community and love the fact that my job gets me out there and involved in some small way with multiple coalitions and committees that tackle the tough problems. Through this class, I have had the opportunity to help students carry out projects that really make a difference in the lives of those affected by everything from teen suicide and alcoholism to animal shelter and courthouse needs.”

Education

Graduated Magna Cum Laude from John Brown University, Siloam Springs, AR in 2002 with a Bachelor of Science Degree in Business Information Systems

ICTC Work History

Employed with ICTC since November 1997

- Practical Nursing Secretary 1997 - 2001
- District Technology Coordinator 2001 - 2004
- Microsoft IT Academy Instructor 2004 - 2007
- EAST Facilitator 2007 – Present

Class She Teaches

- EAST - Environmental And Spatial Technology
- EAST lies within the Science, Technology, Engineering and Math (STEM) Division at the OK Dept. of Career Tech
- Pioneered the EAST Career Major in the State of Oklahoma along with partner teacher Ravonda Bethel
- Focus of EAST is Project Management. Students learn to implement a project from idea-to-reality as they work on real world community outreach projects. As a bonus, students have the opportunity to gain experience using high-end technology available in the classroom to complete project-related work involving: 3D Modeling, 3D Animation, Digital Photography, Virtual Reality, Graphic Design, Architectural Design, Digital Video Editing and Production, Web Page Design and GPS/GIS.

Hobbies

- Enjoys playing golf
- Love watching basketball and any other sports that my kids are involved in
- Love photography
- Love hanging out with my family

Personal Background

- Married high school sweetheart. Recently celebrated their 18th wedding anniversary
