## **ICTC Receives Healthy Business Certificate**

Tom Stiles, Superintendent of Indian Capital Technology Center, announces that the Indian Capital Technology Center, Muskogee Campus, was selected to receive the 2008 Certificate of Merit from the Certified Healthy Business Program. Lana Reed, Business and Entrepreneurial Services Coordinator, is the Healthy Business Program coordinator for the Muskogee Campus. She received the certificate at a special luncheon held on January 13, at the Phillips Pavilion on the grounds of the Governor's mansion.

The health initiative for Oklahoma businesses is sponsored by the Oklahoma Academy for State Goals, the Oklahoma Turning Point Council, the State Chamber of Commerce, and the Oklahoma State Department of Health. Called the Oklahoma Certified Healthy Business Program, this initiative seeks to recognize those businesses (both profit and non-profit) that are working to improve Oklahoma's health status by providing health and wellness opportunities for their employees.
